# The Willoughby Report

## Beyond Singapore...

Abraham's covenant was to establish a people for God, from which all families of the earth would be blessed (Gen. 12:3). In like manner, as children of the promise through faith, we as the people of the Name, have been called to "Go and teach all nations..." (Matt. 28:19).

In addition to reaching Singapore, Tabernacle of Joy has been blessed to be asked by God to become the Antioch of the East—impacting millions of lives. This is our spiritual mandate, and we are working to achieve this call of the Spirit. Thank you for your investment of prayer and finance by

which we believe you will obtain eternal dividends and rewards.

In our effort to achieve the call of Antioch of the East, over the past few years, we have helped pastors in the Philippines by helping to purchase land and build churches. And this week, we sent a team from the Filipino Joy Fellowship to dedicate several new church buildings, and to bless the people of God affected by the recent hurricanes Ket-sana, Parma and Lupit.

Several years ago, Tabernacle of Joy sent out our first missionary. He is in a communist country, and God has opened many

doors into various parts of the nation. He currently works with several leaders who are establishing a work in a region with very little Christian influence, and the leaders are gaining many converts. He also recently started a Bible school and is training a new generation of Christians who will spread this wonderful Gospel.

Please pray for the Antioch of the East as we continue working with laborers throughout Asia, so that others might know Him. As one worship chorus stated, "We won't stop till the whole world knows that He is a Great God...!"

### Quick Facts:

## Barbara Willoughby's Memorial Service

I would like to thank everyone for their tremendous outpouring of love and support for the kids and me. We were really humbled by the

huge turnout at Barbara's memorial service in Mattoon, Illinois. I appreciate everyone that attended and everyone who sent cards

and messages over the last few weeks. Barbara and I had a rich life together and its richness was measured in the abundance of friends

and family that Jesus gave us. I pray that the Lord would bless every single one of you through His power and strength.
